To whom it may concern.

My name is Martin Tyler. I was a senior commentator for ESPN at the FIFA World Cup in South Africa in 2010.

I worked throughout the four weeks of competition with Mark Van Hoff. and I can confirm that thanks to him every word I said got on the air

His technical abilities are excellent but what is also very important is that he is a great guy to work with. The intensity of Live broadcasting is a test for all concerned. Mark is a team player and I thoroughly recommend him.

With regards

Martin Tyler
Football Commentator.
